

Valuing Recovery Oriented Practice: From Beliefs to Practice

Want to expand your knowledge of recovery oriented practice?

What is it?

Recovery oriented practice is an approach to providing care and support to people with addictions and/or mental illness to better navigate their journey to recovery.

How?

Provincial and national examples will be highlighted in this one day event introducing guidelines and core competencies to improve implementation of recovery oriented practice.

Who is it for?

If you are a champion in Addictions and Mental Health you should come!

When?

May 30, 2018 (08:00 – 16:00) through 14 telehealth sites across Alberta.

What does it cost?

This event is **FREE!** For tickets, please go to: [Eventbrite Recovery Day](#)

How do I find out more?
