

The Edmonton Zone Prevention and Health Promotion team is excited to announce our **FALL** 2018 Education Series catalogue of Addiction and Mental Health course offerings. Our courses are ideal for professionals from a wide variety of disciplines who are working with individuals at all stages of life who may be struggling with substance use or mental health concerns. All classes are free of charge.

Complete the attached pre-registration form with your course selections and email to; prevention.edmonton@albertahealthservices.ca

PLEASE KEEP IN MIND

This is a pre-registration form only. Complete one form per person. Submission of this form **does not** confirm your enrolment. Watch your inbox for an email confirming a spot has been reserved for you.

PARTICIPANT EXPECTATIONS

- Courses will start promptly at 9:00 am or 1:00 pm.
- Late arrivals will not be admitted.
- As the Education Series has a lengthy waitlist we ask that you notify us with as much time as possible if you are withdrawing so we can fill the vacancy. Call (780) 644-3642. Failure to notify the Education Series of your withdrawal one week prior or a no-show may result in your removal from all subsequent courses you are registered in.

 We are a scent free facility; please avoid wearing or using scented products in our workplace. One of our team members has severe migraines triggered by fragrances.

We look forward to seeing you during this session! Please feel free to circulate the catalogue of courses within your network and invite your colleagues to participate!

*Thank you for your interest in the AHS Education Series!
