Participation Agreement

PAA Professional Ethics Study Round table

This PAA Professional Ethics Study Round table is committed to providing and maintaining a safe and healthy environment conducive to learning. In signing and submitting this form, I agree with the following in requesting to participate in this PAA Professional Ethics Study Round table:

- Participate in this study round table with respect and dignity, mindful of the individual rights and sensibilities of all participants.
- Show respect other participant's cultural background and personal value system.
- Respect the confidential nature of information shared.
- Respect the facilitator's direction for the round table.
- Provide honest feedback in a manner that will be beneficial to everyone's learning.
- Understand that this study round table is a form of peer consultation but is not clinical supervision or practice advice.
- I will not record this session or take notes of who was in attendance.
- I am a PAA member in good standing & I am registered (or provisionally registered) and in good standing with CAP.

Optional – Do you have a topic-specific scenario for the discussion? If so, please input that here:
