THE FOUNDATIONS OF ANIMAL-ASSISTED INTERVENTIONS COURSE IS NOW OPEN!

THIS ONLINE, SELF-PACED COURSE IS ESSENTIAL FOR ANY PROFESSIONAL WANTING TO INCORPORATE ANIMALS INTO THEIR WORK HELPING OTHERS.

PRE-APPROVED CECS/CEUS

APPROVED BY THE CCPA FOR 24 CONTINUING EDUCATION CREDIT HOURS!

By the end of this course you will be able to:

- Describe and explain the different terms and concepts associated with animal-assisted intervention,
- Distinguish what animals may be incorporated into AAI and different populations that may benefit from AAI and those that may not,
- Understand ethical considerations when incorporating AAI programs,
- Have a deeper knowledge of current research findings on animal-assisted interventions,
- And so much more!
