

INDIGROW
PSYCHOLOGY

WE'RE HIRING

REGISTERED PSYCHOLOGIST OR
PROVISIONAL PSYCHOLOGIST

INDIGROW Psychology values brain based approaches to healing trauma in order to create meaningful, sustainable, and lasting change. We are looking for a highly motivated Registered Psychologist or Registered Provisional Psychologist interested in providing trauma-informed care to join our growing team!

WHO YOU ARE

- Trauma-informed and would like to learn about trauma informed care
- EMDR trained or willing to be trained in this approach
- A registered psychologist, provisional psychologist, or are in the process of getting your credentials reviewed by CAP
- Willing to actively collaborate with other professionals (ie school supports, pediatricians, psychiatrists, etc) in the lives of the clients they support (be part of a multidisciplinary team for their clients)
- Have your own practice insurance
- **This position requires evening and weekend availability**

WHAT WE OFFER

- CAP supervision with supervisors specializing in trauma-informed approaches and able to supervise clinicians with individual, couple, group, adult, child, youth and family counselling
- A centrally located office space
- Access to Jane administrative tool
- Up to date website and social media, access to other advertising
- Profile on Psychology Today to facilitate client referral
- A growing team that is supportive in the development of everyone's practice
- Competitive compensation
- Monthly group supervision
- Open door policy - providing debriefing and consultation on an as-needed basis between regular, pre-scheduled supervisions to best support clinician growth
- Access to a child-friendly counselling room with play and art therapy supplies to foster working with clients of different developmental levels

HOW TO APPLY

Please send your cover letter and resume by email to: info@indigrowpsychology.com.

We thank everyone for their interest and effort in applying for this position. Only candidates selected for an interview will be contacted.

Fostering growth within our clients and our community through trauma-informed care.
