Would you like to have a toolbox of interventions to give couples - that they love to use? With these proven strategies, help couples in your practice manage conflict and deepen intimacy!

Join us for a dynamic experience of interactive live training with **Lawrence Stoyanowski** and **Darren Wilk**, Advanced Gottman Clinical Trainers of Level 1, 2 & 3. They are highly endorsed by the Gottman Institute and have trained thousands of clinicians in Canada and all over the world, in all levels of Gottman Certification since 2006. They are among the top 5 Advanced Gottman Clinical Trainers in the world.

This is a training for clinicians or anyone else who wants to work with couples using the Gottman Method of Couples Therapy. Our training reviews Dr. Gottman's four decades of research on what makes marriages succeed or fail and teaches a therapy that helps troubled marriages. The training provides a wealth of information about couples dynamics, marital assessment, couples exercises and therapeutic interventions. All materials may be used in private practice settings.
