Nomination for the PAA Excellence in Teaching Psychology Award

The Psychologists' Association of Alberta (PAA) invites nominations for the Excellence in Teaching Psychology Award. This non-monetary award is presented to an individual who demonstrates "outstanding" teaching of psychology or academic research supervision of psychological research in an Alberta Government approved/authorized institution for post-secondary education.

Nominees and nominators may or may not be PAA members. The nominator may be a teaching and/or professional colleague, former or current student, supervisor, or other individual familiar with the nominee's teaching.

As part of the selection process, the PAA Awards Adjudication Committee evaluates all nominations received based on a maximum 500-word letter that should address **one or more** of the following criteria statements:

- How the nominee has taught for a minimum of two years immediately preceding the award, one year of which may have been a sabbatical.
- How the nominee's teaching is "outstanding" as manifested through any combination of the following:
 - Educational methodology
 - Enthusiasm
 - Commitment to the subject of psychology
 - Commitment & dedication to students
 - Teaching innovation
 - Supervision of scholarly research.

These guide the nominator in drafting a comprehensive and compelling nomination showcasing the nominee's achievements, contributions, and impact on their field or community.
