PAA Master's Thesis Research Award Form

The Psychologists' Association of Alberta (PAA) invites members* who are masters-level students to self-nominate based on their master's thesis if the research was in the field of psychology within one year immediately preceding award submission date. This is a monetary award (\$300.⁰⁰), together with a complimentary ticket to the PAA Awards Banquet.

*Nominees do not need to be PAA members but must have been eligible to have been a PAA student member at the time that the research was completed. As part of the selection process, the PAA Awards Committee evaluates all nominations received. The evaluation will be based upon a maximum 500-word letter that should address **one or more** of the following criteria:

- Title of the Thesis
- Research Methodology
- How the research purpose, approach, and implications contribute to psychology
- How the findings contribute to the current literature in psychology
- The potential of this research to contribute to the field of psychology

The objective of these criteria is to guide the nominator in drafting a comprehensive and compelling nomination that showcases the dissertation achievements, contributions, and impact on their field or community.

Application Requirements:

- Nomination Letter
- Dissertation Abstract
- 1 - 2 letters of support, one from a supervisor and one from a dissertation committee member, stating that the majority of the work and thought has been completed by the student.
