Nomination for the PAA Pettifor Lifetime Achievement Award

The Psychologists' Association of Alberta (PAA) invites nominations* for the Pettifor Lifetime Achievement Award (Jean & Dick Pettifor Memorial). This non-monetary award is presented to an individual to recognize outstanding career achievements in, or contributions to, the field of psychology.

As part of the selection process, the PAA Awards Committee evaluates all nominations received. The evaluation will be based upon a maximum 500-word letter that should address **one or more** of the following criteria statements provided below. The objective of these questions is to guide the nominator in drafting a comprehensive and compelling nomination letter that showcases the nominee's achievements, contributions, and impact on their field or community. The Committee will use the information gathered from the nomination letters to select the most deserving candidate for the award.

Detail career achievements or contributions in the area(s) of:

- clinical, research, advocacy, or academic psychological work
- long-time enduring contributions to the field of psychology that have been completed within the province of Alberta, or in the broader national and international domains.
- Additional areas of outstanding service, including specific accomplishments.
