

About Us

Seeking a passionate and fun Registered Psychologist/Registered Provisional Psychologist to join our youth-focused team. Tasha Belix Psychology Ltd. is a well-established clinic, that offers best in class services, to children 8yo and older, teens, and young adults as they transition to adulthood and support for their families. We are looking to bring on another associate, to join our creative, collaborative and highly skilled team.

Areas of focus

We specialized with anxiety-based internalizing issues, such as depression, anxiety, self-harm, elite performance, perfectionism, social skills, body image, grief, supporting families through divorce and support through transitions.

Experience in group therapy would be an asset, as well as certification in EMDR, ART or play therapy approaches.

Flexible hours

The ideal candidate would be open to working some evenings and/or weekends, although there can be flexibility to meet your personal needs. We have a steady pipeline of clients, and the clinician can also bring on their own clients too. Part-time hours are fine.

Comprehensive administrative support

All the logistics are done through us. We complete bookings, billings and maintain your profile on our website and offer administrative support to market group offerings. Team Consultation: We meet periodically as a team to provide case consultation, grow therapeutic skills and to offer a space to grow our team connection.

Location

Suite 480 -5119 Elbow Drive. A bright three room clinic, with space for group offerings in the heart of Britannia.
