

Pettifor Lifetime Achievement Award Form

The Psychologists' Association of Alberta (PAA) invites nominations* for the Pettifor Lifetime Achievement Award (Jean & Dick Pettifor Memorial). This non-monetary award is presented to an individual to recognize outstanding career achievements in, or contributions to, the field of psychology.

As part of the selection process, the PAA Awards Committee evaluates all nominations received. The evaluation will be based upon a maximum 750-word letter that should address **one or more** of the following criteria statements provided below. The objective of these questions is to guide the nominator in drafting a comprehensive and compelling nomination letter that highlights the nominee's achievements, contributions, and impact on their field or community. The Committee will use the information gathered from the nomination letters to select the most deserving candidate for the award.

- Clinical, research, advocacy, or academic psychological work
- Long-time enduring contributions to the field of psychology completed within the province of Alberta, or in broader national and international domains.
