Psychologist

Positions Available: Adult Psychologist (Full-Time or Part-Time) and
Child/Adolescent Psychologist [Full-Time or Part-Time]

We are a mission-driven mental health clinic seeking a Registered Psychologist to join our compassionate and skilled team. Our vision is to provide comprehensive and cutting-edge psychotherapies for children, youth, and adults. At ECPTC, we move beyond trauma-informed care to achieve meaningful trauma resolution. As an advanced practice clinic, we support clients in doing deep, transformational work by offering evidence-based treatments that promote lasting change. This is a unique opportunity to be part of a growing team that values clinical excellence, innovation, and meaningful healing.

Who You Are and What You Can Expect:

You are a warm, grounded, and highly skilled clinician who is passionate about clinical work and has a particular interest in working toward trauma resolution associated with adverse life events. Whether these events are “Big T” or “Little t” traumas, you’re dedicated to helping clients experience meaningful, lasting change. You bring a strong foundation in evidence-based therapies and assessment and you’ll work alongside a dynamic and experienced team of therapists who value collaboration, clinical excellence, and compassionate care. Together, we share insights and strategies to continually enhance our services and outcomes. You’ll benefit from ongoing professional development opportunities, access to advanced clinical training, and consistent peer and clinical support—all within a team culture that truly supports your growth and purpose as a therapist.
